

Prenatal enrolment

For a good start in life

Comprehensive insurance coverage begins before birth. For this reason, you can enrol your baby quite easily with CONCORDIA already during the pregnancy.

In the best hands from the first breath: With prenatal enrolment, we include your baby in various supplementary insurance plans without reservation. Start your new family life with peace of mind.

No restrictions

Unconditional acceptance into various supplementary insurance plans

All-round well insured

Comprehensive insurance protection from birth on

For families

Favourable supplementary insurance premiums – even free of charge from the third child onwards

Prenatal enrolment

For a good start in life

If you insure your child with CONCORDIA before they are born, we will admit them not only to mandatory health insurance (basic insurance) but also to the supplementary insurances DIVERSA, NATURA, GENERAL Hospital Insurance, ACCIDENTA and Dental Care Insurance without a health examination.

Products and benefits

DIVERSA, DIVERSA^{care}	<ul style="list-style-type: none">- Dental and ear corrections- Eyeglass lenses and contact lenses- Medicine and vaccinations not covered by mandatory health insurance- Treatment abroad in case of an emergency due to illness or accident
