myDoc Family Doctor Insurance – your economically favourable option for basic insurance.

You choose your own family doctor and take advantage of lower premiums.

One point of contact

Personal family doctor as the first contact person

Coordination by the family doctor

Organisation by family doctors, who know their patients

Attractive premiums

No unnecessary examinations – lower premiums

---

# myDoc

## Family Doctor Insurance

With myDoc, the family doctor is the first point of contact. When it is medically necessary, he then sends patients to a specialist, which saves both time and costs.

### Attractive premiums and lower costs

- Premium discount of at least 8.5 %
- Further premium reductions with choice of deductible
- Cost savings through coordinated treatments

In the event of illness, the personal family doctor has to be contacted first.

### Exceptions for special cases

You may arrange these appointments directly:

<b>Gynaecologist</b>	Gynaecological check-ups Obstetric care services
<b>Ophthalmologist</b>	Prescription for eyeglasses Prescription for contact lenses
<b>In the event of an emergency</b>	Access to every doctor and hospital throughout the world
