Cost savings

No unnecessary treatments – lower premiums

---

# myDoc

## Family Doctor Insurance

With myDoc, family doctors are the first point of contact. When it is medically necessary, they then send patients to a specialist, which saves both time and money.

---

### Attractive premiums and lower costs

- Premium discount of at least 10%
- Further premium reductions with choice of deductible
- Cost savings through coordinated treatments

In the event of illness, the personal family doctor has to be contacted first.

### Exceptions

You may arrange these appointments directly:

<b>Gynaecologist</b>	Gynaecological check-ups Obstetric care services
<b>Ophthalmologist</b>	Prescription for eyeglasses and contact lenses
<b>In the event of an emergency</b>	Access to every doctor and hospital throughout the world
